Barddhaman

## SUMMARY

Experienced Software Engineer with 6+ years of expertise in developing web applications. Skilled in modern frontend technologies like HTML, CSS, JavaScript, React, Next.js, Node.js, and Angular. Consistently delivers top-quality solutions with a profound grasp of technologies. Enthusiastic about learning new technologies and ensuring exceptional experiences. A quick learner who consistently strives to broaden skills and maintain customer satisfaction.

## EXPERIENCE

### Senior Associate

#### PWC

02/2022 Present India Kolkata

- Developed and maintained multiple web applications using modern frontend technologies such as React, and Angular
- Collaborated with cross-functional teams including designers, developers, and project managers to deliver high-quality projects on time and within budget
- Built reusable and modular UI components using React and Angular to improve development efficiency
- Worked with RESTful APIs to fetch data from servers and display it on the UI
- Performed unit testing using Jest/Enzyme to ensure that the code is functioning as expected
- Used Git/GitHub for version control and collaboration

### Software Engineer

#### Mindteck India Ltd Kolkata

07/2017 01/2022 Kolkata

- Worked closely with software development and testing team members to design and develop robust solutions to meet client requirements for functionality, scalability, performance and find better, more efficient ways of doing things
- Consulted regularly with customers on application development project status and software-related technical issues
- Developed high-quality, clean, accessible, testable, maintainable and scalable modern web applications and hybrid mobile applications using different frameworks and technologies in Agile Scrum environment

## EDUCATION

### B. Tech in Electronics & Communication Engineering

#### Academy of technology

08/2013 07/2017

## CERTIFICATION

### Career Essentials in Generative AI

By LinkedIn and Microsoft on 10/26/2023

### AWS Cloud Practitioner Essentials

By AWS on 05/19/2022

## HIGHLIGHTS

### Versatile

Versatile in spanning multiple platforms and technologies to adapt to diverse project requirements.

### Experienced

Experienced in both Web App and Hybrid Mobile App development, ensuring proficiency across various environments.

### Responsible and Reliable

Demonstrated reliability and responsibility in consistently meeting project deadlines and delivering quality results.

### Team Collaborator

Skilled at teamwork, adeptly collaborating with colleagues to attain shared goals and objectives.

### Performs Effectively Under Pressure

Thrives under pressure, maintaining composure and productivity in challenging situations to ensure project success.

## SKILLS

Agile Angular 2+ Bootstrap CSS  
C# HTML Ionic Javascript Jest  
jQuery MongoDB Next.js .NET  
NodeJS React Redux REST API  
SQL Typescript Git

## INTERESTS

### New Technologies
